THE HUNTSMAN HOTEL - EST. 1849

Shooting it Back

Shooting it back to 1849, this iconic pub was launched as the Huntsman Hotel. The building has lived many lives, being used as the Lutheran Church Library, offices, a bank and a radio station until it opened as the Archer Hotel you know and love in 2003.

Just a stone's throw from Adelaide Oval, The Archer is a popular stop for drinks or a top-quality pub meal before a game. And while some things have changed, others remain – it's still the laid-back pub where you're guaranteed to get a top-quality pub classic or modern seasonal dish that's filled with seasonal produce.

It's also home to the biggest balcony in North Adelaide, is popular for hosting special events and celebrations, and houses a stunning Library, with large oil paintings and an extensive range of books on show. There's so much to enjoy in The Archer, and so much to discover behind her beautiful walls.
